

# COMPANY PROFILE

# ABOUT COMPANY

We started out as a Bahraini company in 2011 when we noticed a lack of higher quality snacks in the Kingdom. Our core aim was to fill this gap and provide a gourmet snacking experience for everyone to enjoy!

This is when we decided to open the first Popcorn Factory in the Kingdom, since then we have been able to grow into one of the largest Popcorn manufacturing facilities in the region.

# WHAT WE DO

Sam's Gourmet Popcorn is made from scratch in our premium Popcorn Factory in the Kingdom of Bahrain.

It is made in small batches, automatically packed fresh daily to provide our customers with a gourmet snacking experience.

Sam's Gourmet Popcorn is all natural, free from artificial ingredients and preservatives.

# OUR PRODUCTS

Our first creation is our signature gourmet popcorn which comes in two popular flavours, the first, a classic lightly sea-salted buttery flavour, and the second, a perfect blend of crunchy sweet and salty.

# VISION & MISSION

Vision: As a food manufacturer; we aim to bring freshly packaged quality snacks from our facility in The Kingdom of Bahrain, directly to our customers.

# OUR GOAL

**Our goal is to provide premium quality gourmet snacks for the whole Gulf to enjoy and to become the best-selling popcorn in the region.**

As our region continues to grow, we have experienced a greater demand for premium snacks. Over the last few years, we achieved our target of becoming the best-selling Popcorn in the Kingdom of Bahrain. Our recent expansion into the Saudi Arabian markets have been highly successful as our sales and distribution continue to exceed our expectations and grow month after month in these countries.
