# What We Offer

# PROCESSED SEAFOOD

Blue Swimming Crab

Breaded

Blanched/Cooked Shrimps

## BREADED TORPEDO SHRIMPS

Indulge in seafood luxury with our Breaded Torpedo Shrimps.

Each shrimp is carefully selected and coated in premium Panko breadcrumbs.

These torpedo-shaped delights are a premium offering, designed to elevate any dining experience with their exquisite taste and texture.

## BREADED BUTTERFLY SHRIMPS

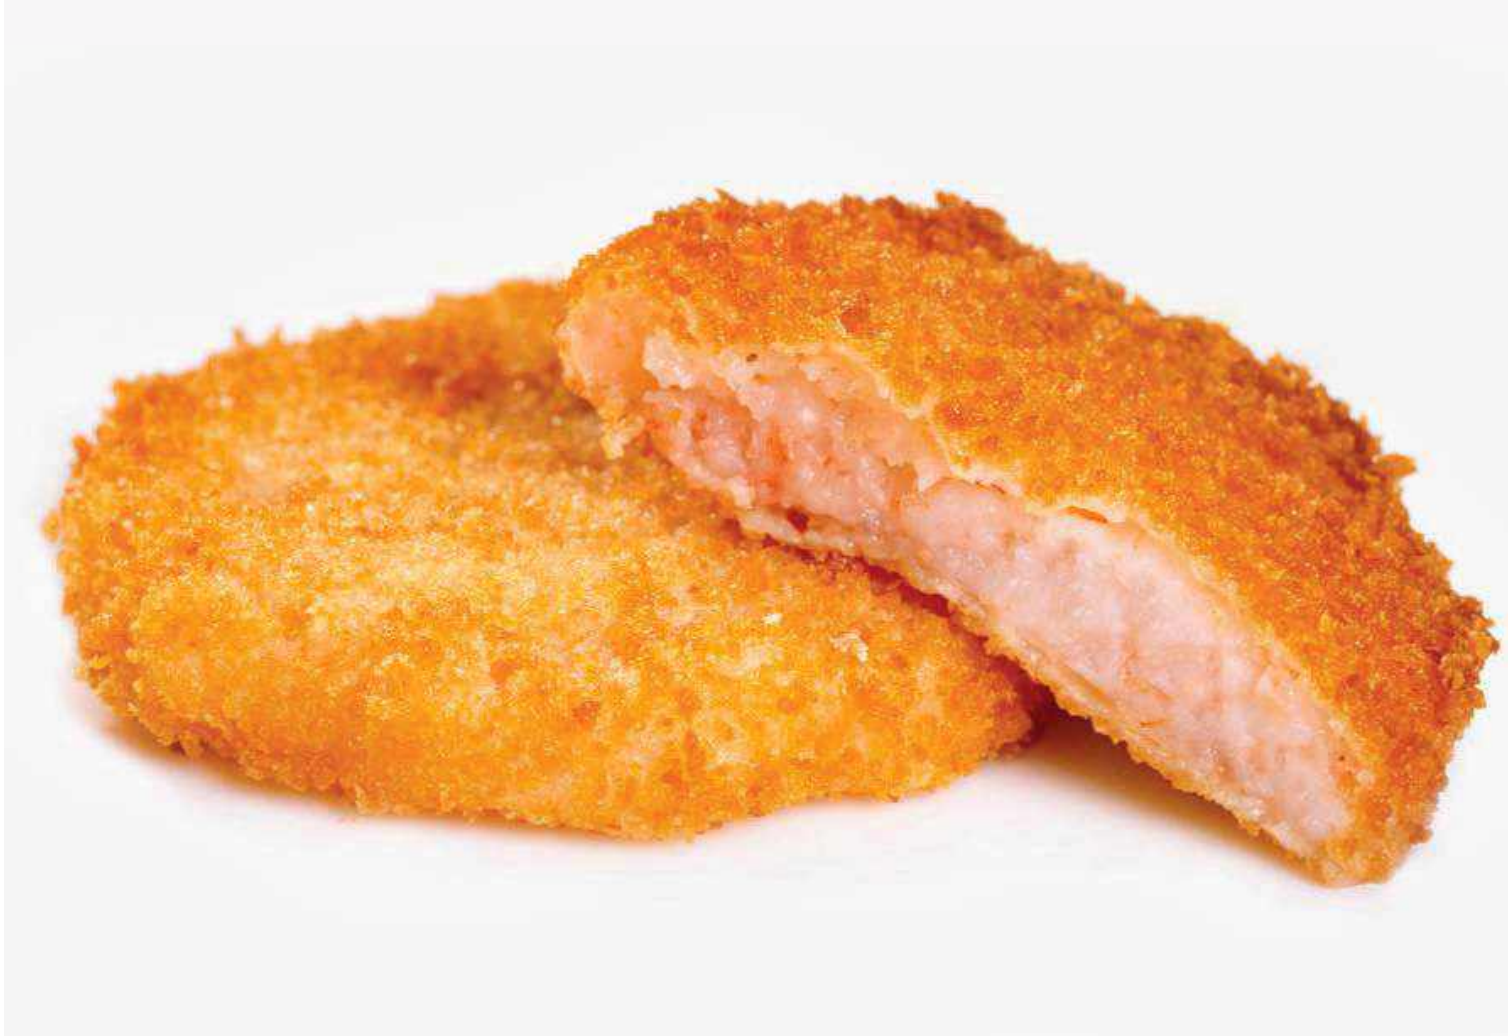

~~~~~  
Savor the luxury of our Breaded Butterfly Shrimps.

Each shrimp is butterfly-cut and coated in premium Panko breadcrumbs for a crispy, golden finish.

~~~~~

## SHRIMP BURGER

Experience the exquisite flavors of the sea with our unique Breaded Shrimp Burger, crafted with care and expertise.

Each burger patty is meticulously prepared using shrimp, delicately seasoned, and coated in premium Panko breadcrumbs for a crispy, golden finish.

## BREADED FISH FINGERS

Indulge in the perfect blend of taste and texture with our Premium Panko Breaded Fish Fingers.

Whether you're serving them as a snack, appetizer, or main course, our fish fingers are sure to delight your palate with their crispy goodness.

## BREADED FISH FILLET

Experience our Hand-Coated Breaded Fish Fillet, made using premium Panko breadcrumbs.

Each Fillet is hand-coated to ensure a perfect, crispy texture with every bite.

## BREADED FISH BURGER

~~~~~  
Elevate your burger experience with our Fish Burger Patty, featuring a crispy coating.

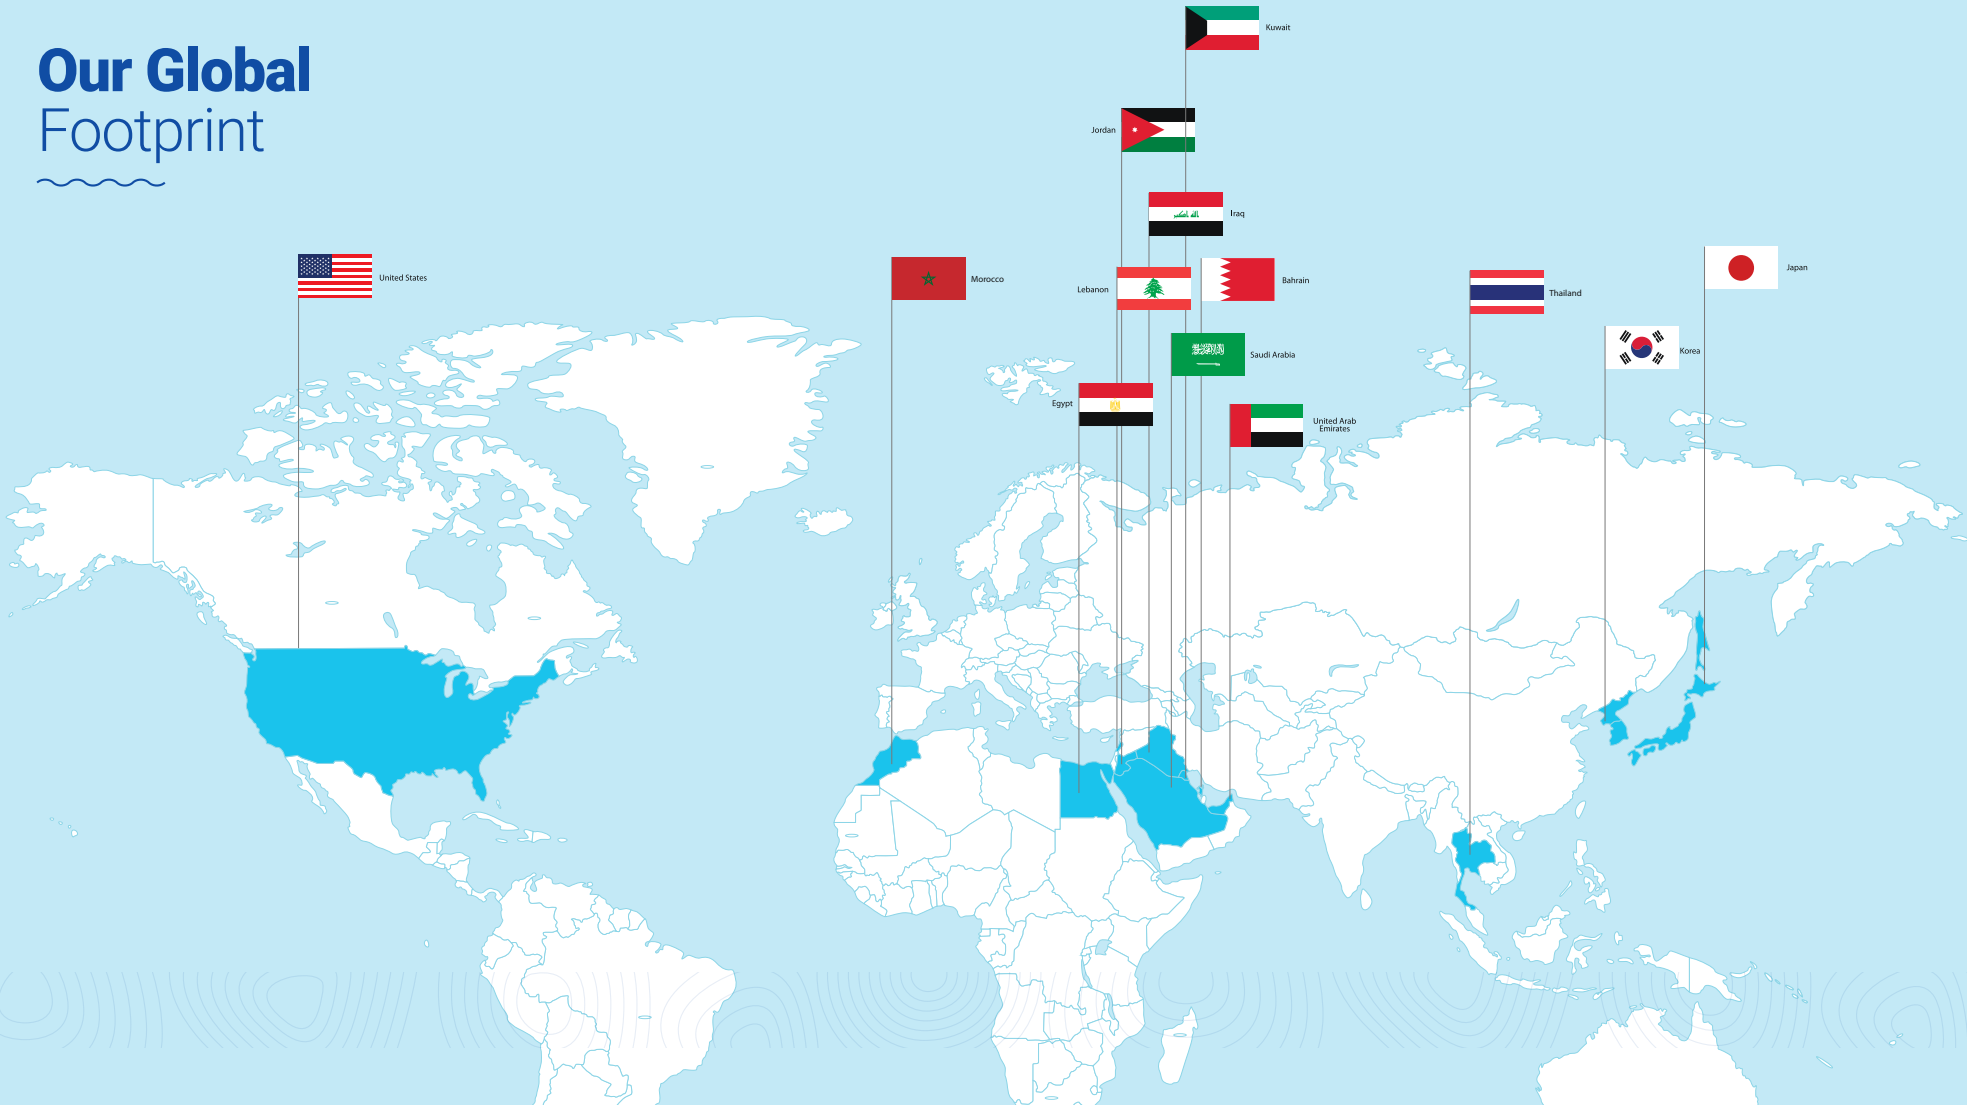

Crafted from fish fillets, each patty is meticulously seasoned and coated in a light, crunchy breading for a mouthwatering texture.

# Our Global Footprint

# Our Valued Partners

# Compliance

We adhere to the highest food safety standards, demonstrating our commitment to providing safe and quality products. This commitment is validated by our certifications, including BRCGS, HACCP, FSMA and ISO 22000.

Furthermore, our products meet the stringent food safety standards of Japan, the US, and Korea, reflecting our dedication to global best practices. Our facilities undergo regular inspections and audits by both internal teams and external agencies. We also invest in ongoing training for our employees to ensure they are knowledgeable about the latest food safety practices and procedures.
