About Parcel

Best Delivery Company

Parcel officially launched in December 2019 in Bahrain, our main goal is shifting the delivery process to be fully digital and easier for you as home business or enterprise, by allowing you to request a driver that delivers your products without worrying about monthly expenses for distances.

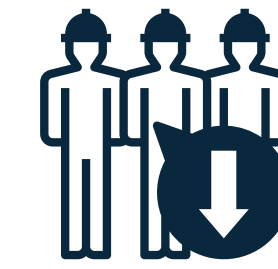

Problem

High delivery costs

Order Numbers cannot cover driver costs

Understaffed

Your orders is more than your delivery staff

Delay in Delivery

Drivers got multi orders causing delay in deliveries

Far distances

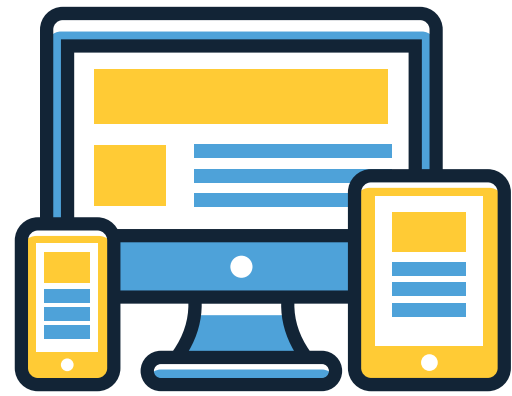

Far distance orders causing you to lose one of team for longer period
