Recyclers of scrap metals & plastics لإعادة تدوير السكراب والمعادن والبلاستيك

إعادة التدوير تعتبر مسئوليتنا الوطنية  
Recycling is our national responsibility

# CEO'S STATEMENT

Welcome to *Crown Industries BSC [C]*, the pioneer Recycling Company in the Kingdom of Bahrain. Our Company was established in 1997 by a group of reputed and prominent Bahraini Businessmen, engaged in the Recycling and Export of Ferrous, Non-ferrous, Electronic Waste and Plastic Scrap.

We use ecofriendly European and American recycling equipment and machinery to recycle various metal and plastic scraps to produce world-class raw materials in accordance with International Standards and Specifications. Our products are exported to various international markets.

*Crown Industries BSC [C]* is always on the cutting edge of scrap recycling technologies to produce brilliant and high quality recycled raw materials as required by our customers and end users in domestic and Global-Markets.

Since the year of 2003, our Company has been certified and updated with ISO 9001:2015 Quality Management System, ISO:14001:2015 Environmental Management System and ISO 45001:2018 Health and Safety Management System by TUV. We apply the principles and guidelines of the Integrated Management System in our operations and are committed to complying with ISO standards and the legal requirements of the Kingdom of Bahrain.

Our goal is to be a leader by finding ways to raise awareness among the Public and Businesses about the benefits of Recycling and how Recycling plays an important and sustainable role in a dynamic and emerging economy.

As an Environmentally friendly Company, *Crown Industries BSC [C]* is committed to providing value-added goods and services to its customers and becoming the best recycling company in the Kingdom of Bahrain that consistently and reliably makes a difference.

**G.P. Rajan**  
CEO

Recyclers of scrap metals & plastics

# AN INSIGHT

*Crown Industries BSC (C)* recycles post-consumer and post-industrial scrap into semi-finished raw material and generate wealth from the waste. By recycling the waste, our company contributes to Bahrain's environment and keeps the country clean, free from Land, Water and Air pollution. Our recycling program promotes sustainable circular economy and support to solve the environmental problems in the Kingdom of Bahrain.

# MISSION

*Crown Industries BSC (C)* aims to recycle the waste and scrap generated in the Kingdom of Bahrain and provide its domestic and foreign customers with recovered raw materials of the highest quality.

The company provides waste management and recycling services to its customers, protects the environment, and promotes recycling to ensure a safe and healthy community for present and future generations.

# VISION

Recycle, re-generate, recover resources, curb landfill, safely manages waste, and protects the environment of the Kingdom of Bahrain

# MILESTONES OF A RECYCLING PIONEER

When Crown Industries saw the light of day 3 decades ago, it has evolved into a successful group of companies what it is today. It prides itself on being the only full-capacity recycling Company in the Kingdom of Bahrain, proving its aptitude and exceeding all expectations in recycling. Crown is equipped with leading technology and brilliant professionals and will continue to prove its reliability and expertise in recycling with the help of its insightful investors.

# 3 Decades of Quality Services

# MEMBERSHIP & ACCREDITATIONS

Among our numerous achievements, we are proud members of following International Recycling associations.

- BIR (Bureau of International Recycling)
- BMR (Bureau of Middle East Recycling)
- MRAI (Metals Recycling Association of India)
- ILZDA (India Lead Zinc Development Association)

Our company bestowed with Internationally renowned accreditation, namely

- ISO 9001:2015: Quality Management System,
- ISO 14001: 2015: Environmental Management System
- ISO 45001: 2018: Occupational Health and Safety Management System.

# ONE STOP SHOP FOR YOUR RECYCLING SOLUTION

# CORE RECYCLING AND MANUFACTURING ACTIVITIES

# RECYCLING OF NON-FERROUS SCRAP METALS

We offer a wide range of non-ferrous scrap metal recycling services. Our staff is highly trained in processing and preparing scrap metal as per the International Standards for the export market and end-user use. We are leaders in the recycling of non-ferrous metal scrap in the Kingdom of Bahrain. The following recycled non-ferrous products are exported worldwide.

- ▶ ALUMINIUM
- ▶ ALUMINIUM CABLES
- ▶ ALUMINIUM LEAD ARMORED CABLES

# RECYCLING PLASTIC SCRAP AND TIRES

Plastic scrap recycling is one of our main business areas. We have developed advanced recycling, recovery, and reuse measures to improve our future through sustainable change. We specialize in recycling the following plastic waste. Also, we do moderate recycling of used tire waste and export them abroad.

▶ HDPE GRANULES

▶ LDPE GRANULES

▶ PVC REGRINDS

▶ ABS REGRINDS

# E-WASTE RECYCLING

Electronics have come to dominate our daily lives more and more. Today's new electronic gadgets are quickly becoming yesterday's old technology and becoming obsolete and useless. This is where Crown Industries BSC [C] provides a solution for recycling all types of electronic waste in our company. We promote recycling and express our gratitude to Mother Earth by making a positive impact on the environment.
