Rediscover Coffee with MAZAJI

WHO WE ARE?

Mazaji is a Specialty Coffee Roastery, only for those who appreciate uniqueness and an extremely satisfying after taste.

When you treat yourself to Mazaji, you won't be casually sipping coffee, but you 'rather indulge in an unforgettable sensation of self gratification and fullness.

As we bear in mind how coffee is an experience, we express ourselves creatively through the taste, smell, hue and even touch.

Our coffee is prepared from freshly toasted and brewed coffee beans and our quality remained our utmost priority since we started in 2020.
