ABOUT THE COMPANY

AlHelal & Golden Star Factory W.L.L. was established in 2015 with a clear ambition: to become one of the most trusted manufacturers of plastic and brush products in the Kingdom of Bahrain and across the GCC region. Located within the Bahrain International Investment Park (BIIP) in Hidd, the company has built a strong reputation for delivering durable, high-quality products at competitive prices to wholesalers, distributors, retailers, hypermarkets, government organisations, and the hospitality sector.

Spanning approximately 9,668 m², our state-of-the-art facility is home to over 30 skilled personnel and equipped with 12 plastic injection molding machines and 4 Borghi brush-making machines, enabling consistent, high-volume production across our full product range.

VISION

- To become one of the leading manufacturers of plastic products and household solutions in the GCC by delivering innovative, durable, and cost-effective products that exceed customer expectations.

MISSION

- Manufacture products that meet the highest quality standards.
- Expand our presence in regional and international markets.
- Invest in modern technology and production efficiency.
- Build long-term partnerships with customers and distributors.
- Promote sustainable and responsible manufacturing practices.
