BAHRAIN PACK

ABOUT US

Established in March 1993, Bahrain Pack was registered under the United Paper Industries BSC © and bears the Commercial Registration No. 29242. As the largest corrugated box manufacturer in the Kingdom, Bahrain Pack's facility is located in the Sitra Industrial Park and produces all types of printed and non-printed corrugated products.

With a vision to meet the huge packing demands of Bahrain and the GCC region, a group of likeminded businessmen formed the company with a focus on the manufacturing of quality corrugated cartons. Bahrain Pack offers a full range of customizable packaging solutions and services designed to meet the requirements of its clients.

Bahrain Pack has built a reputation as the number one packaging solutions provider and ensures the production of high-quality products delivered in a timely manner. The Company exports its products across the regional market with high value clients from the Kingdom of Saudi Arabia, Kuwait, Qatar and Jordan.

In 2007, Bahrain Pack established Jordan Bahrain Paper Industries (Joba Pack) (www.jobapack.net) located in Almafraq, Jordan, specializing in the production of printed and non-printed corrugated boxes and sheets. Joba Pack is fully owned by United Paper Industries and is equipped with a team of experts in the field with a commitment to producing the highest quality products for its clients in Jordan and surrounding countries.

OUR PRODUCTS

Bahrain Pack offers a wide range of corrugated products for various industrial manufacturers, cargo and shipping companies and distributors. The company uses modern machinery to manufacture carton products from reputable paper mills globally.

Bahrain Pack produces the following types of cartons:
