

Spun Candy

Spun Candy produces marvelous, handmade rock candy and confectionery. Since launching in London in 2013, Spun Candy has developed hundreds of designs and flavors of confectionery treats, as well as offering master classes to the public.

Products

HANDMADE IN BAHRAIN - VEGAN - NON GMO

Dedicated to delivering world class hospitality services, and leading the way in the F&B industry.

ABOUT US

Kingdom Gourmet, launched and established in 2017 brings a new genre of Food and Beverage (F&B) to Bahrain. Unmatched culinary experiences and exceptional epicurean options top our list of priorities. From a leading team of hospitality solutions to providing ultimate solutions for F&B brands in the region, Kingdom Gourmet concentrates on research, planning, operations, and marketing.

OUR VISION

Dedicated to delivering world class hospitality services, and leading the way in the F&B industry. Our dedication to our customers begins before our customers enter our establishments, and continue long after they have left.

OUR MISSION

To build food outlets that foster a culture of gastronomy, nurture our team and customers alike, whilst providing successful F&B outlets that are viewed as signature Kingdom Gourmet concepts.

OUR VALUES

Like a recipe; each ingredients integral in creating the perfect dish.

G

Growth stems from our passion

O

One Team; family is the heart of our business

U

Understanding the needs of our customers

R

Reliability is our strength

M

Maintain integrity in all our work

E

Excel in everything we do

T

Treat everyone with respect
