Address: Askar, Kingdom of Bahrain

Introduction:

- ▶ Established in the year 1991 by Mr. Saleh Ahmed Abdulla, AL HASNA FACTORY is a company based in the kingdom of Bahrain.
- ▶ We are specialized in the manufacturing of Halawa (Sheera), a traditional Arabic hair remover product which is widely used across the region.
- ▶ Our commitment is to maintain the highest standards of quality, safety, and customer satisfaction which has made us a trusted choice among our costumers.
- ▶ AL HASNA Factory is an ISO Certified (GMP 22716) company where we prioritize quality and safety in every aspect of our operations.
- ▶ We adhere to strict quality control measures to ensure consistency and excellence in our products. We source premium, all-natural ingredients to uphold our commitment to chemical-free and safe hair removal solutions.

Product Description:

- ▶ AL HASNA Hair Remover (Halawa/Sheera) is a natural and chemical-free hair removal solution which is safe for all skin types allowing to achieve smooth & hair free skin.
- ▶ It is used for an Arabic tradition hair remover method that has been trusted by women for centuries in Middle east & Africa.
- ▶ Widely known and appreciated for its effectiveness and skin-friendly properties.
- ▶ AL HASNA Hair remover (Halawa/Sheera) is carefully crafted following authentic recipes and traditional methods, ensuring a superior product that meets the diverse needs of our customers.
- ▶ The product is available in many soothing fragrances.

Advantage of AL HASNA Hair Remover (Halawa):

- ▶ **Chemical-free:** AL HASNA Hair remover (Halawa) contains no harsh chemicals, making it suitable for even the most sensitive skin types and minimizing the risk of allergies.
- ▶ **Dermatologically tested:** The product undergoes rigorous testing to ensure it is safe and gentle on the skin delivering exceptional performance without causing any harm.
- ▶ **Versatility:** Halawa/Sheera can be used on various body parts, including arms, legs, face, and bikini area providing a complete hair removal solution.
- ▶ **Long-lasting results:** By removing the hair right from the root, Halawa leaves your skin smoother, hair-free for an extended period, reducing the need for frequent hair removal.
